One of the most productive receivers in the state who also doubles as one of the youngest. Smith is a gamer who runs hard and looks to sacrifice himself for the game. Smith has a lot of fire to him and shows a hard-nosed work ethic during the season and even the summer. He has terrific hands and good speed and can find corners and get around opponents after the catch. He's averaging over 18 yards per catch and has 762 total yards and seven
