

Clayton Reed 5'10, 215 LB Holt @ClayJReed

There are times it feels impossible to slow Reed down. When he's coming off the left side in search of a sack it's difficult for blockers to stay with his speed and overall athleticism as he shakes off defenders. Reed has 24 tackles, one sack, one interception, one fumble recovery and six tackles for a loss which showcases his explosiveness and ability to get in the backfield and bring down the runner. ANother underrated prospect who is quietly putting together a strong season.
