

Indian Nation – Holt Football

Indian Nation

Welcome to the Holt High School Booster Club – **INDIAN NATION!** The Holt Football Booster Club's goal is to support and enhance the football program at Holt High School through volunteer assistance and fundraising programs, while at the same time promoting the highest standards of spirit and sportsmanship. Our purpose is to promote pride, respect, spirit, and unity among the Holt players, as well as the student body, coaches, families, staff, and the local businesses in our community. In order to do that, Indian Nation (Holt Football Booster Club) relies not only on the financial contributions of its members, but on the energy, imagination, and effort of the entire Holt Football family. By working together at every level, we can strengthen both the current and future football programs at Holt. And, together, we can make Holt Football one of the best experiences our children, and we as booster members will have.

Our hope is that the list below gets you excited about the upcoming season and also helps give a little insight into the Holt Indian Nation. By developing traditions over the next few years, we believe you and the rest of the Indian Nation booster members can continue to make Holt Football a great experience for everyone.

Welcome and we hope you are ready to be part of all the fun and work that happens before our Friday Nights even begin!

Indian Nation – Holt Football

HOW WE SUPPORT HOLT FOOTBALL

The best thing about these events is how they will help make Holt a great experience for our students. We support the program in a number of ways including financial support for equipment purchases, facility maintenance, pre-game meals for all levels, game day needs, and the year-end football banquet, as well as other needs for the program.

The funds that we raise are an important source of funding for the Holt football program's equipment. Our booster support, for example, allows team meals to be purchased, guardian helmets to ensure player safety, jersey, training clinics, senior recognition. Our booster donated funds also provide for training tools such as sideline Hudl, cameras, blocking dummies and additional football merchandise. We invest in the future of our players and offer two senior scholarships.
